

# Join Us Online As We Kick Off Learning with the Libraries

September 20, 2022 at 4pm eastern

Join Josh Montanari, Education Specialist for the Jimmy Carter Presidential Library and Museum and Kathleen Pate, Education Specialist for the William J. Clinton Presidential Library and Museum as they present:

## Carter & Clinton: The Middle East Peace Process

Building upon the work of his predecessors, Jimmy Carter achieved a breakthrough at Camp David that brought peace between Egypt and Israel but fell short of resolving questions of Palestine. Bolstered by success in the Northern Irish Peace Process, that mantle would be picked up by Bill Clinton more than a decade later. Join education specialists from the Carter and Clinton Presidential Libraries who will facilitate discussion about the Middle East Peace Process through analysis of primary sources from their institutions and the National Archives.
